

OUR FEEDBACK

Made by Alexandra, Artur, Tine and Vildan

WHAT WE LIKED?

- The food (McDonalds and cakes)
- The city itself (Clérigos Tower; Lello Library; The Beach)
- The furniture factory
- The mall Via Catarina and the shopping places
- The people who participated in the project
- The friendships we made
- Learning about other cultures
- Learning to be independent and responsible
- We managed to go around the city without a map

WHAT WE LIKED?

- Intercultural dialogue
- Seeing the school and the facilities
- Composing our own music
- Creating our own webpage
- Discussing about the (ab)use of the internet
- The presentations about the schools and countries
- The Aurasma app
- The music performance of the students

WHAT WE DIDN'T LIKE?

- The food (At school and the restaurants)
- The presentation about safety on the internet
- The presentation about the TeamUp software

WHAT WE'VE LEARNED

- New words
- New things about other countries
- How to make a website with the Mobirise software
- How to compose music with the UJAM app
- How to use the internet in a safe way
- How the ideal teacher should be
- Lots about CFPIMM

Our team thinks that our hopes have been accomplished:

- We have improved our English
- We have made new friends
- We have learned about new cultures
- We have represented our school and city well

Our team thinks that our fears were baseless:

- We were able to speak English well
- We didn't feel shame
- We got along with the other participants
